What a Great Neighborhood

It is a true pleasure to be part of the West Kessler community. We might be small compared to some of the adjacent neighborhoods; but I see a giant spirit, pride and camaraderie.

Some of our newest arrivals are spearheading a resurgence of activity by actively getting involved. Thanks to Bonnie for representing us with the Oak Cliff Conservation League, as well as becoming Block Captain and hosting the Spring Salad Supper. Thanks to Lynn for tackling the thankless job of Neighborhood Association Secretary and Tray for the superlative newsletters and for editing and printing the directory. Thanks also to Missy for taking on Block Captain, not that I gave her an option, and for offering to host the Pool Party (it is great to see it return to one of the classic party venues).

The heart of West Kessler is the people and I feel blessed to live here. David.

We Can Do It

A modest start to our aluminium recycling, but worth while and something we can grow. Thanks to all who participated by collecting their aluminium cans and bringing them over last month. We made \$37.50 in May and at this rate would make about \$500 for a year, a nice addition to neighborhood funds. We have a lot of recycling bags if you would like to come by and collect some. Please keep on collecting and bring your bags over the evening of Thursday, June 29th. to 819 N. Oak Cliff Blvd., you may even be offered a drink as people found last Thursday

Graffiti Wipe Out Day

Bonnie Roberds and Rob Hartzler represented West Kessler in the first Graffiti Wipe Out in Dallas. Over 100 folks volunteered in Oak Cliff and more than 700 city wide. Around eighty sites were targeted in Oak Cliff and over 200 over the city. Sherwin Williams donated 270 gallons of paint which covered 37,000 sq. feet. Volunteers were treated to lunch at city hall catered by Carraba's Italian restaurant. We saw many parts of Oak Cliff new to us and had a great day making new friends as we painted, laughed, and got lost more than once.

Committee Reports

THE BEAUTIFICATION COMMITTEE:

Congratulations to Steven Hagler and Tammy McNary, our May 2006 YARD OF THE MONTH winners. Their beautiful new yard is in keeping with the style of their new home.

Tenna Loma Gardens is almost complete. One more plant to be installed in the near future. I want to thank our committee members, Sari and Corinna for their efforts in making it so nice.

You can treat for GRUB WORMS now. They are currently eating away at your grass roots to become June bugs in the near future and will lay eggs to start the cycle all over again. • **Earl Stewart: earl9999@swbell.net**
