Its been a great month in the neighborhood

I've enjoyed spending time with a whole lot of neighbors this last month, three neighborhood events with great participation in each.

August started with a splash, a night in Havana splash for kids young and old. Thanks to Missy, Hal and Ali for hosting and all those assisting, proving 702 N. Oak Cliff will always be a party house. Food was excellent and , judging by the attention it got, I think I need to get a tattoo.

Thanks Ronda for organizing our Neighborhood Night Out at Vito's, great camaraderie, an opportunity to meet newer neighbors, catch up with some of us that have been around for a while and even an opportunity to meet the new boyfriend of an ex-neighbor.

At the second of the neighborhood's Quarterly Meetings, Bob Stimson, representing the Oak Cliff Chamber of Commerce, spoke candidly on current proposals for Developing and Redeveloping Oak Cliff. Items of interest to many in our community judging by the questions. Once again a great opportunity to spend time with our diverse community, butt you really had to stay late for a glass of wine to really get to know the neighbors.

So, looking forward to seeing your rosy cheeks at the next neighborhood function. Till next month, David.

THE OAK CLIFF CONSERVATON LEAGUE'S HOME TOUR

Although it's too hot to think about, the Old Oak Cliff Conservation League Tour of Homes is less than two months away. Volunteers as porch sitters are always needed so if interested, please contact Bonnie Roberds at 214-941-0210 or bonnieroberds@sbcglobal.net.

Mark Monday, September 11 on your calendars for the slide show preview of the Tour. It will take place at Tyler Street Methodist Church beginning at 6:30pm with refreshments. If you attend, please park in the parking lot at the rear of the church and come up the short alleyway between buildings then follow the arrows the the meeting hall.

There are 10 properties on the tour this year and two of them are in West Kessler. I hope to see you there. -- Bonnie Robards
