## GENERAL MEETING...

### Matt Holley to speak at Quarterly Neighborhood Meeting

Join us to meet with Matt Holley, July 24th, 7:00 PM  
at the home of David Cooper and Allen Haskell,  
819 N. Oak Cliff Blvd.

As principal developer of Kessler Woods, Matt will speak on the Twelve Hills TIF (recently approved by The Dallas City Council) and Phase III of the Kessler Woods development along with associated zoning changes. We are already seeing positive changes associated with development around our neighborhood, this is a great opportunity to hear from a key exponent. All West Kessler neighbors are welcome.

## BEAUTIFICATION COMMITTEE --- Ron Forwark

July Yard of the Month: Congrats to Hal and Missy Carr of 702 N. Oak Cliff Blvd. They have worked many weekends transforming the former front area into a beautifully landscaped, curb appealing front entrance to their home. The tropical flair ties in very nicely with their beautiful home.

Have you seen Stevens Wood Garden lately? It has taken on a new look for the better. Thanks to a generous donation, this garden was sponsored by Methodist Hospital. Methodist Hospital works with its neighborhood partners for betterment of the community as a whole. We were able to purchase 2 nice sized curved benches and many new plants. The roses ("Knock out") are beautiful and will do very nicely to provide years of color to the neighborhood. There are also daylilies, ferns, cosmos, and zinnias to further help the splash of color and to beautify the area. This is a popular hang out spot for those who live near and will all pitch in to keep the area nice. Thanks to all who took part to create this space for the neighborhoods enjoyment. Take a cruise around the circle to see for yourself. It will now be a useful area when we have our Fall Fest this year.

## NEIGHBORHOOD NIGHT OUT Pena's Mexican Grill 1133 N Zang Blvd

A lot of people have heard RAVE reviews on Pena's Mexican Grill. I stopped by last weekend and met the owners, Salvador & Alma. They were very nice and excited that we picked their restaurant for our next meeting. Please remember they do not server alcohol so it is BYOB!! We are going to put all the food on one tab so be prepared to bring cash to pay your bill. We will receive a 10% discount off the entire tab. I hope to see everyone there!!

Tuesday, July 10, 7:00PM Don't Forget -- B.Y.O.B.

## HAVE YOU SEEN ALICE?

This month we are featuring one of our residents who has lived in West Kessler since 1968. As a member of the beautification committee, Alice Hobratsch walks around the neighborhood several times a day picking up trash along the way. I don't think Alice has ever met a stranger. She will often stop and talk to neighbors she sees on her walk-a bouts. Armed with her glove and trash bag she takes to the streets daily keeping West Kessler beautiful. At age 83, Alice is a special person and takes pleasure in helping others. She enjoys her walks and it keeps her active as well. So be on the look out for Alice and tell her 'Thanks for keeping the West Kessler so nice'.
