WEST KESSLER
NEIGHBORHOOD NEWSLETTER

DOG DAY AFTERNOON...

And it can seem a very long afternoon when you are irritated by the incessant barking of a neighbor's dog, so please be respectful of your neighbor's peace and quiet. Also, remember that "baggy" when you walk your dog, no one should have to step in that! If you are disturbed by unreasonable noise from a pet, you may file a disturbance complaint with Dallas Animal Services. For breeches of the "Pooper Scooper" law, you can dial 3.1.1. Details may be found through the web-site http://www.dallascityhall.com/code_compliance/Animal_Services.

CRIME WATCH

Unfortunately our neighborhood is not immune to vandalism and theft. Someone went through everything inside a car on Tenna Loma the night of May 15. So please keep an eye out and if you do see something suspicious, please call 311 to report it (911 if it is an emergency). West Kessler is organizing a neighborhood crime watch. We are in the very early stages and more information will follow. Anyone interested in helping should contact Donna Cotter, 214.943.2442, cotterstimson@sbcglobal.net.

WEBSITE UPDATE

Blake has setup a Flickr account for uploading West Kessler event pictures. Flickr provides an easy interface for uploading, managing, and organizing group photos. Email blake.chandler@gmail.com if you're interested in contributing your photographs.

BEAUTIFICATION COMMITTEE --- Ron Forwark

Yard of the Month congratulations go to Jason Lenox and Matt Taylor of 919 Bison Trail. The color and attention to detail brings it all together and provides a nice pleasing contrast. Drive or walk by and enjoy the view.

The West Kessler Rock is a big hit with everyone. The pride oozes out every time we pass by the rock. There are many people to thank for bringing this spectacle to our neighborhood. The previous beautification committee from last year got the ball rolling with selecting the rock and finding our great artist to engrave it. Special thanks go to Earl Stewart and his team of Corinna Wills and Sari Hartzuer for all their hard dedicated work. Bob Stimson in working with the Stevens Park Golf course really gave this a push to make it a reality. Missy & Hal Carr volunteered to maintain the beautiful plants which surround it and Mya Coursey and Wally Cox have agreed to provide the needed watering to get the plants established. Thank you to the current beautification committee for coordinating the final placement. Thanks also to everyone else contributing dues to the neighborhood to make it possible as well. It truly is a community effort and a proud symbol for WKNA.

The Earth Day event of cleaning the creek along the golf course was a big success. We had many folks who volunteered their time and backs to picking up the debris which had been washed in or thrown into the creek over the years. We pulled out 2 shopping carts and even a vacuum cleaner. We had numerous bags of miscellaneous trash too. We found many golf balls and even a batman action figure. Special thanks to Jacques Groth for coordinating the event.

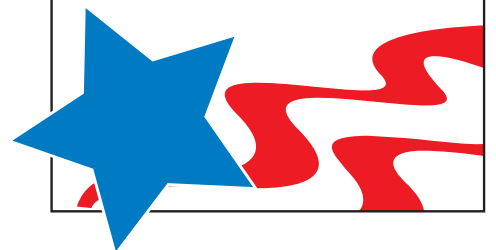

Our newest member of the Beautification Committee is Missy Carr, welcome

DON'T FORGET VOTE

Be sure to vote
in the runoff
elections,
Saturday, June 16.

We will be electing
the mayor from
candidates Ed Oakley
and Tom Leppert and
City Council district 3
from candidates
Joseph Hernandez and
Dave Neumann.

Early voting begins June
4 and ends June 12.

WELCOME.

Jim Foster & Fabio De Michele
at 926 Bison Trail

Jay Yancey & Bill Dilodovico
at 900 Bison Trail

John Hasty & Joey Brock
at 806 N. Oak Cliff Blvd.

Mariam and Jakob Andersen
will be moving into
903 Stevens Wood Ct
any day now.

I might be biased but I believe
we have a great neighborhood
and from the little time I have
spent with some of you, I expect
you will fit in very well.

Thanks for choosing West Kessler.

David Cooper
