GENERAL NEIGHBORHOOD MEETING

Who knew the Dallas County Sheriff wouldn't ride up toting a pair of Smith and Wessons and a Stetson yep, not Wyatt Earp but then not the Sheriff of Mayberry either!

What a pleasure to have Dallas County Sheriff Lupe Valdez speak to the neighborhood on the role, responsibilities and direction of her position. By the number and diversity of questions it was clearly enlightening to all that attended. She is definitely an astonishing woman.

Suzanne Vickers also spoke. She is the Live Nursery Sales Specialist from our local Lowes store and gave gardening tips for the current season and, most importantly, told us where to find the encyclopedia of all things plant related you had to be there.

OK, perhaps Lupe does carry Smith and Wessons.

BEAUTIFICATION COMMITTEE

March will come in like a Lion and out like a Lamb. We will have some cooler weather the first part of the month and it will be beautiful by the end of the month. March is a wonderful time to get the yard ready for the season. A gorgeous lawn starts in early spring. Apply a fertilizer formulated for Spring use. Tackle weeds early, apply a broad leaf pre-emergent weed killer. Yard of the month will begin starting in April - Who will receive the honors? -- Ron Forwark

SPECIAL NOTE

At this time, our thoughts and prayers are with Mya Coursey and Wally Cox with the passing of Mya's mother Laura Saturday, February 24. A memorial service will be held 2:00 p.m. Saturday, March 3, at Episcopal Church of St. Thomas the Apostle, 6525 Inwood, Dallas. In lieu of flowers, please donate to the SPCA of Texas (214-742-7722), Friends of Hunt Hill Audubon Sanctuary (715-635-6543), or charity of your choice.
