WEST KESSLER
NEIGHBORHOOD NEWSLETTER

A Note from the New WKNA President

Please mark your calendar to attend the West Kessler general meeting in March. We will have representatives from the Dallas Police Department to discuss crime watch, as well as other issues important to West Kessler. Please feel free to bring your questions and concerns. It will also be a great opportunity of meet new neighbors and catch up with others. **See you March 18.**

Please plan to vote in the upcoming presidential primaries. For the first time in a very long time, both major party nominees are not decided when Texas holds its primary on March 4. I believe we are all in precinct # 4434 and vote at Rosemont Elementary School, 719 N. Rosemont.

If you vote in the Republican primary and you did not vote early, you will vote one time on Tuesday. There is a somewhat confusing primary process if you vote in the Democratic primary that allows you to vote twice. Two thirds of the democratic delegates are determined by the actual Election Day and early vote. The other one third of the delegates is determined by a caucus vote after the polls close. If you voted (either early or on election day), you will return to your precinct voting place after the polls close, at 7:15, and cast another vote for the candidate of your choice. It only takes a moment. You may need to show proof that you voted, that is, your stamped voter registration card.

- Donna

Calloway's Timely Tip for March

- Plant grass sod now but wait until May to plant seed.
- Fertilize your lawns towards the end of the month with a complete fertilizer such as Calloway's Premium Lawn Fertilizer 21-5-10 or Calloway's Organic Fertilizer 6-2-4.
- Apply preemergents early this month to prevent weed and grass seeds from germinating-Green Light Crabgrass Preventer for grassy weeds and Green Light Portrait for broadleaf weeds.
- Apply a post-emergent broadleaf weed killer such as Green Light's Wipe-Out to kill existing dandelions, henbit, and chickweed. Apply when daytime temperature is above 70°F
- Check your automatic sprinkler system for leaks and broken pipes or heads.
- Tune up the lawnmower and have the blade sharpened, if needed.

Congratulations to **Earl Stewart** at 915 Bison Trail for being March's **Yard of the Month**

Treasurer

Thanks to the following neighbors for already contributing to the neighborhood:

Jay Yancey & Bill Dilovicio
